

How To Fill Out The Durable Do Not Resuscitate Form

Please read each statement on the Durable Do Not Resuscitate DNR form and check the appropriate box (es).

Order Number

This is no longer required and newer forms do not have this area. Older forms can still be used without an order number.

Date Order Written

This should be the date the order is signed by all parties. It will become the effective date of this Durable DNR Form.

Emergency Phone Number

This should be the 24-hour number at which the physician who signs the form can be reached.

Signatures

The Durable DNR Order Form must have two signatures – the physician who has a bona fide physician/patient relationship with the patient identified on the form and the patient or the person authorized to consent on the patient's behalf.
